He was never beaten in class. Pride is the first AAA bull out of a AAA sire and a AAA dam. This bull's dam Kamar Silver Mysie has raised us several grand champion bulls.

Big strong Shorthorn bulls such as the one pictured above add pounds and profit to any beef producing program. Shorthorns are noted for their gentle disposition, and their ability to sire calves that will wean 50 - 70 pounds heavier and continue to grow in the feedlot. Commercial cowmen like the extra milk which they get with their replacement heifers.

23 Shorthorn and Polled Shorthorn bulls sell in this sale.
